

## **AI DISCLAIMER**

### **AI (X11) Platform**

Effective Date: 6 March 2026

This Artificial Intelligence Disclaimer (“Disclaimer”) governs the use of the AI-powered features of the AI (X11) platform (the “Platform”).

The Platform is owned and operated by:

#### **Wallstreetpartner INC**

90 State Street, Suite 700 Office 40

Albany, NY 12207

United States

Email: [INFO@CHATX11.COM](mailto:INFO@CHATX11.COM)

By accessing or using the Platform, you acknowledge and agree to the terms set forth in this Disclaimer.

### **1. Nature of the Platform**

The Platform is a **technology-based software tool that utilizes artificial intelligence to assist users with information processing, document organization, and automated text generation.**

The Platform is **not a law firm, legal practice, or legal service provider.**

The Platform **does not provide legal advice, legal representation, legal opinions, or professional legal services of any kind.**

All outputs generated by the Platform are created automatically by software algorithms and artificial intelligence systems based on user inputs and available data.

Nothing generated by the Platform should be interpreted as legal advice or relied upon as a substitute for consultation with a licensed attorney or professional advisor.

### **2. No Attorney-Client Relationship**

Use of the Platform **does not create an attorney-client relationship** between the user and:

- Wallstreetpartner INC
- the Platform
- any associated software systems
- any developers, operators, or contributors.

The Company does not act as legal counsel, legal representative, or professional advisor.

### **3. Informational and Automation Tool Only**

The Platform is designed solely as an **automation and informational assistance tool**.

Functions such as document drafting, contract analysis, communication processing, and data organization are provided for convenience and operational support purposes only.

Any documents, analyses, summaries, or recommendations generated by the Platform are **automated outputs produced by artificial intelligence** and should be independently reviewed by qualified professionals where appropriate.

### **4. Accuracy of AI-Generated Content**

Artificial intelligence systems may generate incorrect, incomplete, outdated, or misleading information.

The Company makes **no representations or warranties** regarding:

- accuracy
- completeness
- reliability
- legal validity
- regulatory compliance
- suitability for a particular purpose.

Users remain solely responsible for reviewing, verifying, and validating all outputs produced by the Platform.

### **5. No Professional Services**

The Platform does not provide:

- legal services
- tax advice
- financial advice
- investment advice
- compliance consulting
- regulatory representation.

Any references to legal concepts, contracts, regulations, or compliance matters are **automatically generated informational outputs** and do not constitute professional services.

Users are encouraged to seek advice from licensed professionals when necessary.

## **6. User Responsibility**

Users are fully responsible for:

- verifying all generated documents
- confirming compliance with applicable laws
- ensuring the accuracy of submitted data
- evaluating risks associated with business decisions.

The Company does not monitor, supervise, or validate decisions made by users based on Platform outputs.

## **7. No Decision-Making Authority**

The Platform does not make binding decisions and does not act on behalf of users in any legal, financial, governmental, or commercial capacity.

Any decisions taken based on Platform outputs are made **solely at the user's discretion and risk.**

## **8. Limitation of Liability**

To the maximum extent permitted by applicable law, Wallstreetpartner INC shall not be liable for:

- any direct or indirect damages
- financial losses
- contractual disputes
- regulatory consequences
- business interruptions
- reliance on AI-generated outputs.

This limitation applies whether the claim arises in contract, tort, negligence, strict liability, or otherwise.

## **9. Third-Party Information**

The Platform may process information obtained from external databases, public records, or third-party systems.

The Company does not guarantee the accuracy, completeness, or reliability of third-party information.

Users should independently verify any external data used for decision-making.

## **10. Automated Processing**

Users acknowledge that the Platform relies on automated systems and artificial intelligence technologies to generate responses and perform requested tasks.

These systems may produce results that differ from the interpretation or opinion of licensed professionals.

## **11. Regulatory Compliance**

Users remain solely responsible for ensuring that their use of the Platform complies with applicable laws and regulations in their jurisdiction.

The Company does not guarantee that outputs generated by the Platform comply with specific legal or regulatory requirements in any country.

## **12. Acceptance of Risk**

By using the Platform, users acknowledge that:

- artificial intelligence systems have inherent limitations
- automated outputs may contain errors
- the Platform is provided strictly as a technology tool.

Users accept full responsibility for how they use the information generated by the Platform.

## **13. Changes to This Disclaimer**

The Company reserves the right to update or modify this Disclaimer at any time.

Updates will become effective once published on the Platform.

Continued use of the Platform constitutes acceptance of the updated Disclaimer.
